Message from the

Chairman

As we reflect on another remarkable year at the Molana Tariq Jamil Foundation, I am filled with immense gratitude and pride for the incredible progress we have made together. Our 2022-2023 Annual Report is a testament to the dedication, compassion, and unwavering commitment of our donors, partners, and team members.

Over the past year, we have continued to expand our reach and impact, providing essential services in healthcare, education, disaster relief, and community development. Our mission to serve humanity with compassion and empathy has never been stronger, and it is through your generous support that we have been able to touch so many lives.

Heartfelt thanks to all our donors for their invaluable contributions. Your support has enabled us to provide free medical care to thousands of patients, offer educational scholarships to deserving students, train women to become self-reliant, and deliver vital aid to those affected by natural disasters. Together, we are making a difference, one life at a time.

As we move forward, I am confident that with your continued support, we will achieve even greater milestones. Let us remain united in our mission to uplift and transform lives, ensuring a brighter and more hopeful future for all.

With sincere appreciation,

Molana Tariq Jamil
Chairman
Molana Tariq Jamil Foundation

Message from the

Vice Chairman

Reflecting on the past year fills me with immense pride and gratitude for the dedication and hard work demonstrated by each member of our team at the Molana Tariq Jamil Foundation. Your unwavering commitment has been the cornerstone of our numerous achievements and the positive impact we have made in the lives of countless individuals.

Our journey over the past year has been inspiring. From providing free medical care and educational scholarships to delivering essential aid during disasters, our collective efforts have brought hope and relief to many in need. Your passion for serving humanity and relentless pursuit of excellence have truly made a difference.

I want to personally thank each team member for your invaluable contributions. Your collaborative spirit, innovative ideas, and relentless drive have enabled us to overcome challenges and achieve our goals. It is your dedication and hard work that have brought our vision to life and made a tangible difference in the communities we serve.

As we look ahead to the coming year, I am confident that with your continued support and dedication, we will achieve even greater success and extend our reach to help more people in need. Together, we will continue to uphold the values and mission of the Molana Tariq Jamil Foundation, making a meaningful and lasting impact.

Thank you once again for your extraordinary efforts and unwavering commitment. Let us move forward with renewed vigor and determination to make the world a better place.

With sincere appreciation,

Yousuf Jamil
Vice Chairman

Message from the

CEO

As we close another year of incredible work at the Molana Tariq Jamil Foundation, I am deeply grateful for the unwavering support and generosity you have shown us. Your contributions have been the lifeblood of our mission, enabling us to make a significant impact on countless lives across Pakistan.

Reflecting on the past year, I am proud of the strides we have made together. Each donation, whether big or small, has played a crucial role in transforming lives and uplifting communities.

As we enter the New Year, we have set our sights on broadening our reach even further across Pakistan. We are committed to extending our services to more regions, reaching those who need us the most. To achieve this ambitious goal, we will need your continued support and generosity. Your belief in our mission and your willingness to stand by us is what empowers us to dream bigger and do more.

I would also like to extend my heartfelt thanks to our dedicated teams and volunteers. Your tireless efforts, compassion, and dedication have been the driving force behind our success. Your hard work and unwavering commitment have made a profound difference in the lives of many, and I am deeply grateful for each one of you.

Together, with your continued support, we will make this New Year even more impactful. Let us remain united in our mission to serve humanity with compassion and empathy, ensuring a brighter and more hopeful future for all.

With sincere appreciation,

Thematic Focus:

A Year of Sustainable Impact & Digital Expansion

This year was shaped by two primary forces:

Sustainability:

Embedded across healthcare, water, and livelihoods—ensuring long-term community resilience.

Digital Transformation:

With revamped websites, verified digital platforms, integrated ERP systems, and remote connectivity solutions, MTJ Foundation laid a strong digital infrastructure to scale impact

We moved beyond aid into empowerment—equipping beneficiaries with skills, access, and opportunities that spark enduring change.

Programmatic Impact Areas

This past year, the Molana Tariq Jamil Foundation (MTJF) delivered on its mission to empower and uplift the underserved through expanded services, strategic partnerships, and relentless compassion across Pakistan and beyond. Each sector reflects a commitment to sustainability, community-led development, and restoring dignity to those in need

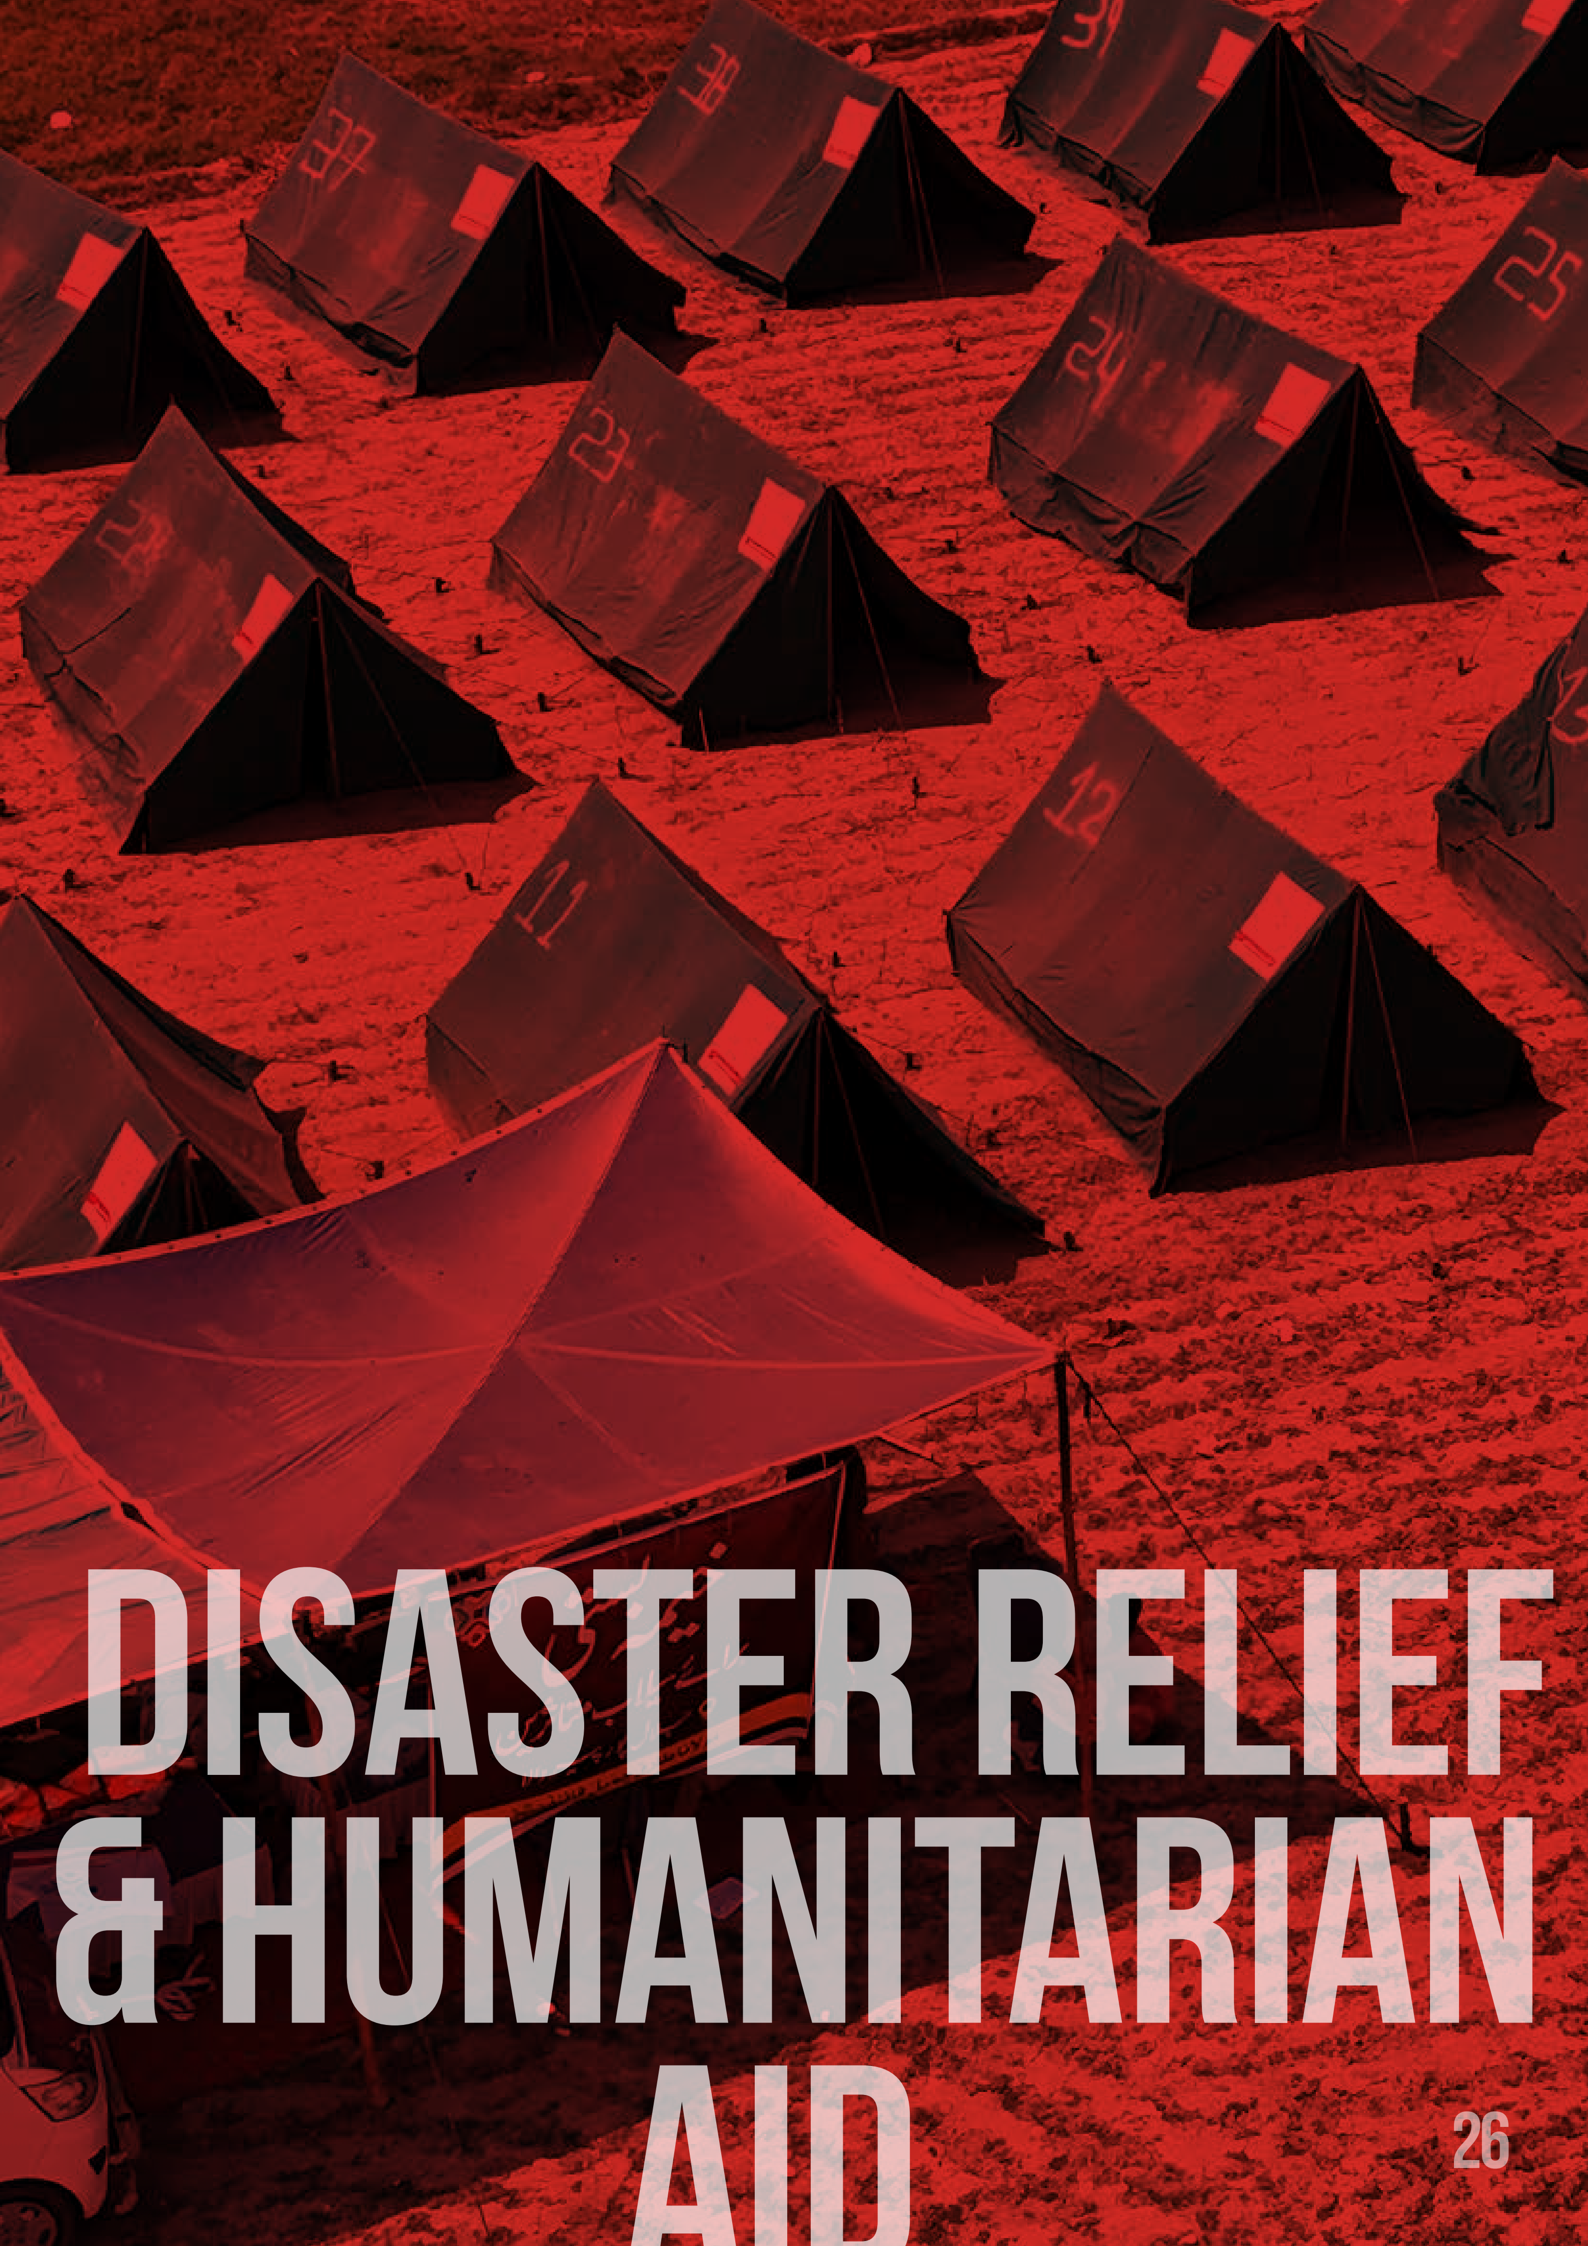
- Focused on roofing, boundary walls, and structural reinforcement

Long-term Flood Rehabilitation

- Restored homes and livelihoods in Sindh and South Punjab post-2022 floods
- Integrated psychosocial support and economic reintegration



DISASTER RELIEF & HUMANITARIAN AID

Gaza Relief Campaign

A Lifeline of Compassion

With Gaza facing one of the gravest humanitarian crises of our time,
MTJ Foundation made it the centerpiece of our 2024 Ramadan campaign.

Impact:

- Over 100,000 individuals supported

Aid included:

- Hot meals, food parcels, hygiene kits
- Medical supplies, baby formula, water tanks
- Temporary shelter and dignity kits

Partners on the Ground:

- Penny Appeal
- Muslims in Need
- Humaniti
- JHCO (Jordanian Hashemite Charity Organization)

"Let's Rebuild Gaza" Campaign

- Tent cities near refugee camps for displaced families
- Food security initiatives to combat child malnutrition
- Transitioning from survival to long-term rehabilitation

Transparency & Trust:

- Pictorial and video proof of every delivery
- Monitoring by MTJ Foundation Canada
- Partner MOUs and audit trail for all relief activities

Even in the rubble of Gaza, your donations built not just tents—but trust, dignity, and the courage to hope again.

Sustainability

- Sustainability embedded in water, health, livelihood, and IT projects
- Example: Transition to ERP reduced waste; water testing ensured public health

Inclusivity

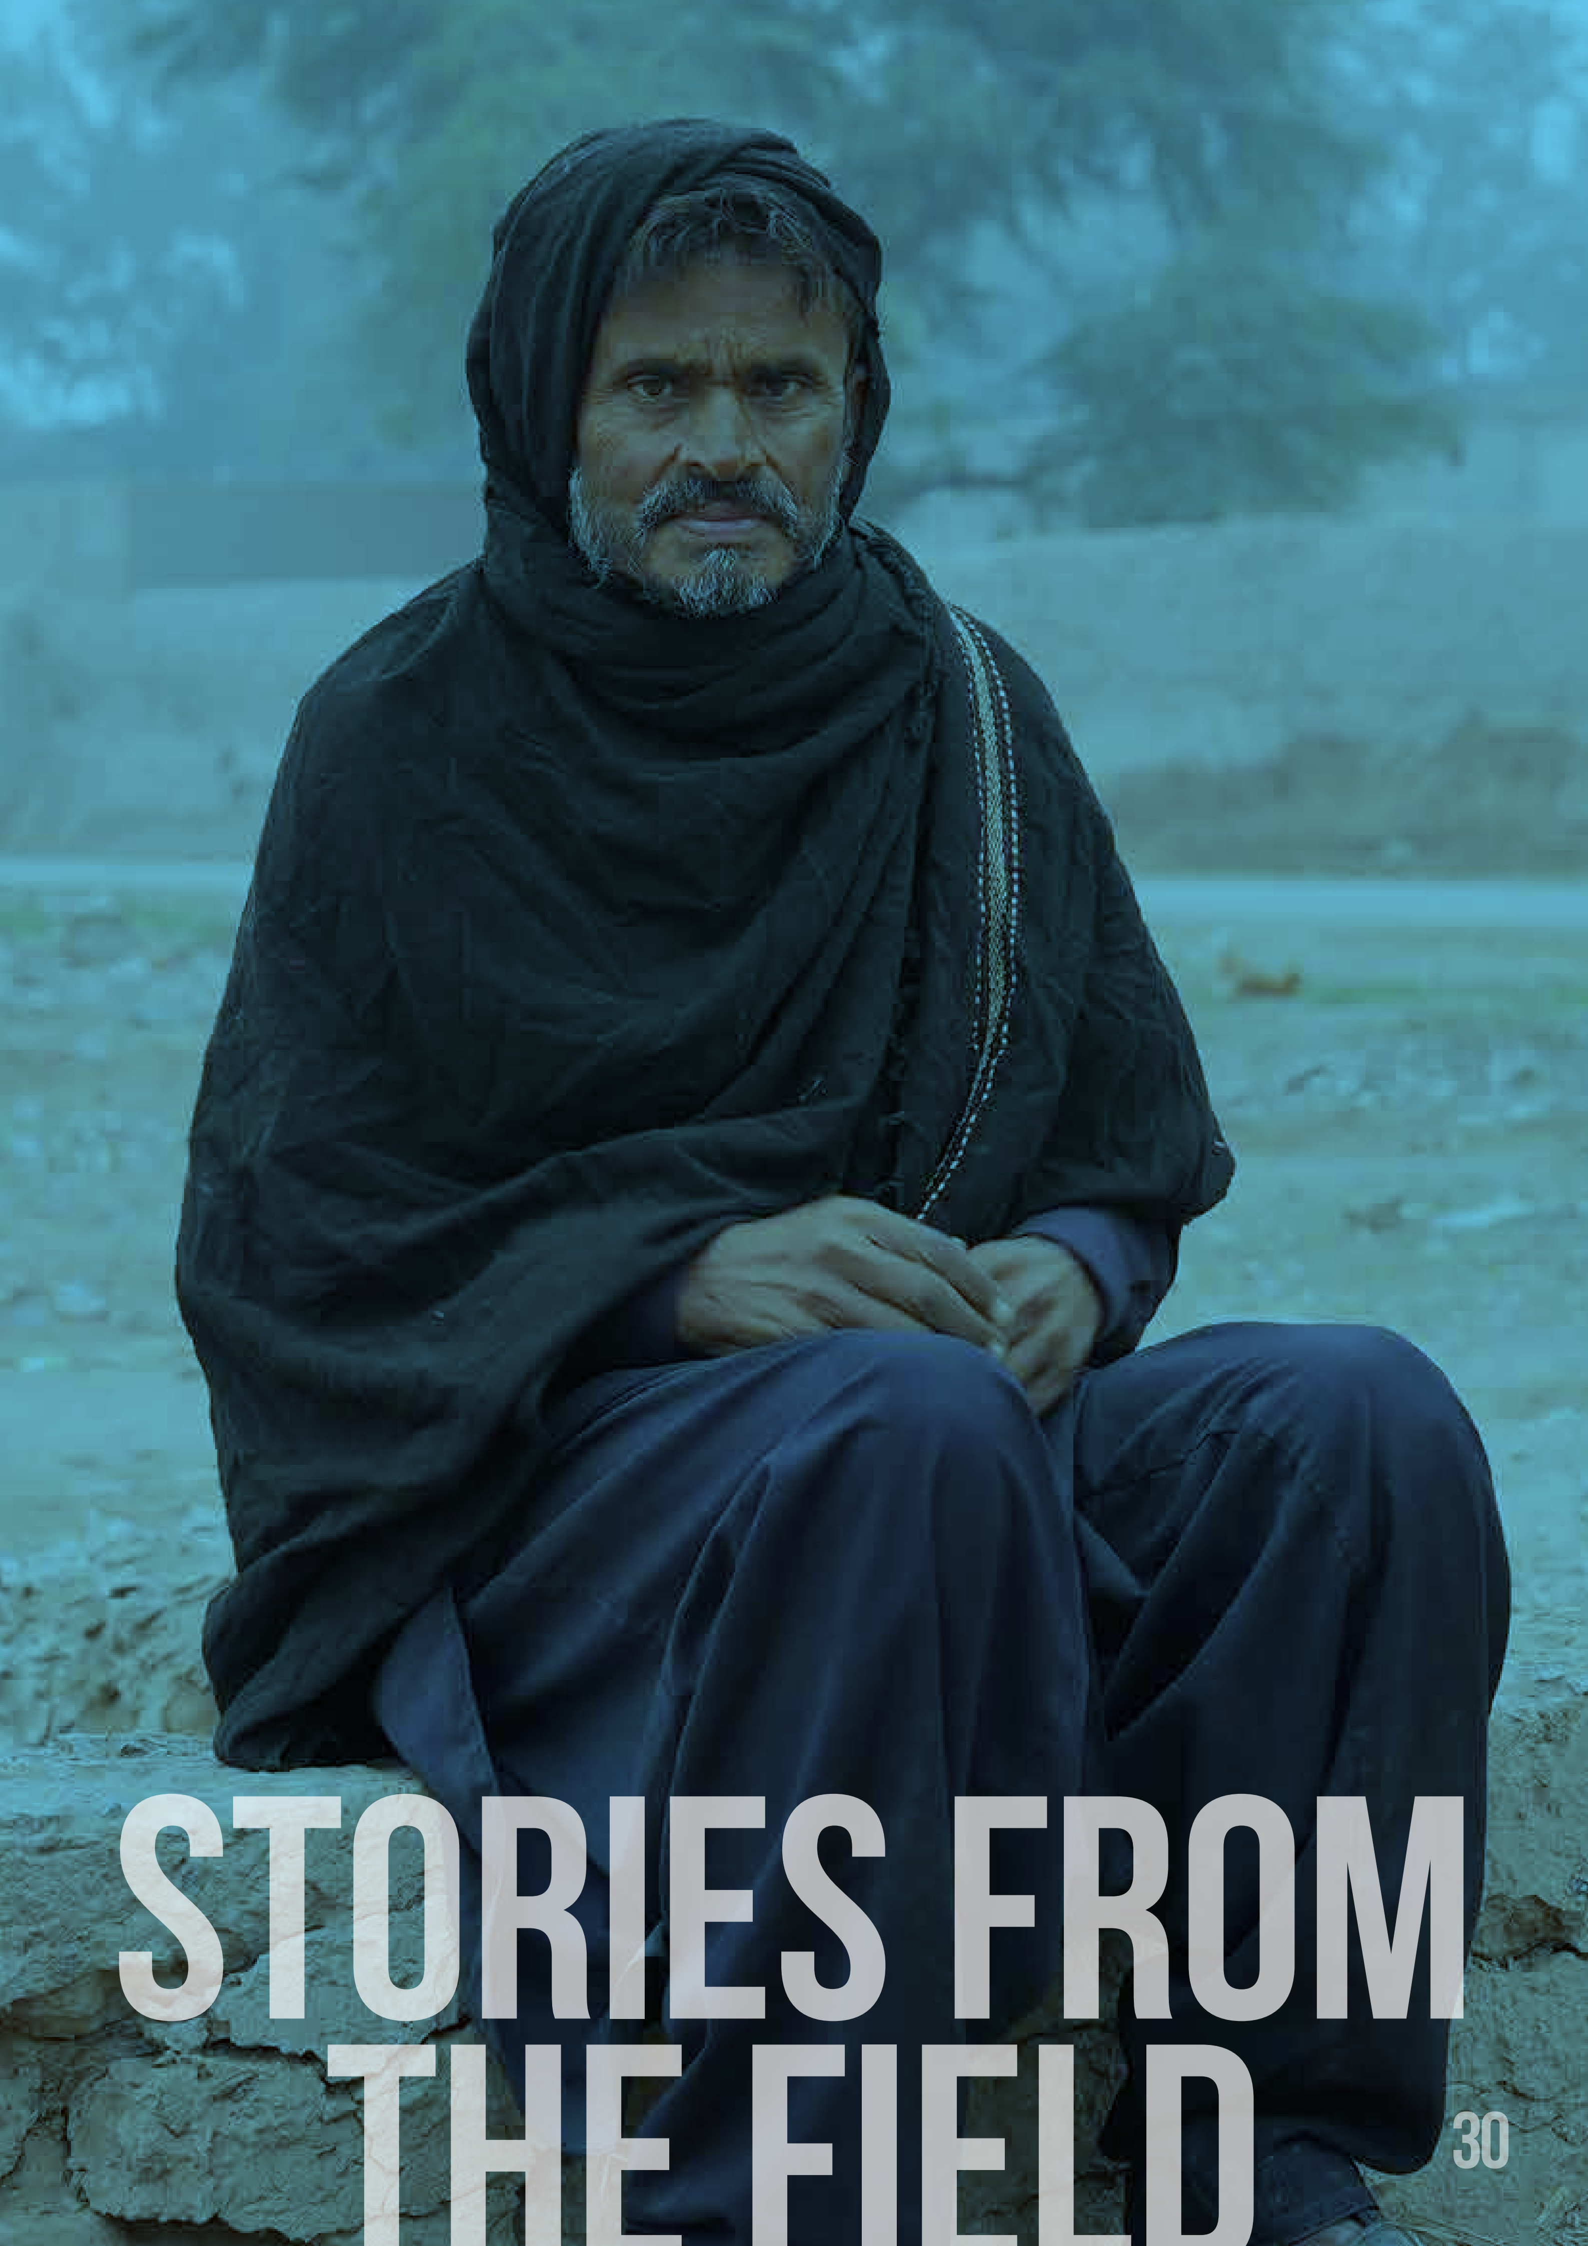
- Special focus on PWDs, women-headed households, orphans, and rural populations

Volunteer Engagement

- Hundreds of volunteers activated during Ramadan, Eid, and disaster deployments
- A growing youth movement in urban and rural Pakistan

Environmental Initiatives

- Planted 1,380 trees as part of green campaigns
- Promoted eco-responsibility across projects like clean water and solid waste management



STORIES FROM THE FIELD

Syeda Shabra Rubab

A Daughter's Dream Kept Alive

In a modest home tucked away in Mian Channu, Shabra Rubab clutched her books tightly, even as her family struggled to afford three daily meals.
Her father's health was fading, and her mother's modest tailoring income could barely stretch far enough to keep food on the table, let alone pay tuition.
Shabra had every reason to give up on her dreams, but she didn't. When her family learned about the MTJ Foundation's scholarship program, they applied with a quiet hope. Within two weeks, her application was approved. It was more than a scholarship, it was a lifeline.
"If we hadn't applied, I might not be studying today," Shabra shares. Now in her second year of ICS at Superior College, her tuition is fully funded. But what MTJF gave her was far greater than money, it was a renewed sense of self-worth and an unbroken path to her dreams.
"A girl is the foundation of a nation. I'm grateful MTJ Foundation is investing in girls' education, because that's how communities rise."

Muhammad Waleed

A Second Chance at Life

Years ago, Waleed left his hometown of Tulamba to build a better life in Muscat. But a tragic fall from a rooftop changed everything. His spine was shattered. He returned home unable to walk, having spent all his savings on failed treatments.
With no hope in sight, someone told him about MTJ Foundation.
He applied—clinging to a last bit of hope—and his case was accepted. After assessments, the Foundation funded his surgery at Mukhtar Sheikh Hospital in Multan.
"Now, I can walk again. You gave me a new life." For a man who once feared he would never leave his bed, standing again felt like a miracle. But the Foundation didn't stop there. They helped his children, too, by approving their education scholarships, ensuring the cycle of hardship ends with him.
"My children are excelling in school now. Because of MTJ Foundation, my entire family is healing."

Allah Jowai

Rebuilding Dignity, One Brick at a Time

Widowed, with five children, and no income—Allah Jowai's life in rural Punjab was a daily struggle. Her home had crumbling walls. Food was scarce. Illness was frequent. And water?
She had to walk long distances just to fetch a few liters. She walked into MTJ Foundation with trembling hope, and walked out with something she hadn't felt in a long time: relief.

- Monthly rations delivered to her doorstep
- PKR 10,000 in monthly financial support
- A new home constructed for her family
- A water motor installed for clean water
- Medical support for her and her children

"I had nothing. Now, I have a roof, food, water, and dignity. May Allah bless this Foundation."
Where the world had turned away, MTJ Foundation stepped in—not with just aid, but with honor and care.

Shoaib Mashkoor

Carving a Future Through Sacrifice

When Shoaib lost his father during primary school, education seemed like a distant dream. But his mother refused to give up. She worked tirelessly in strangers' homes, washing clothes and sweeping floors so her son could continue going to school. Still, the burden grew heavy. Then came the day Shoaib applied for a scholarship through MTJ Foundation—a decision that transformed his future.
Now a fifth-semester Agriculture student at Bahauddin Zakariya University, Shoaib stands tall, not just as a student—but as a symbol of a mother's sacrifice and a community's belief in potential.
"My first goal is to support my mother. Then I'll help educate my siblings. This isn't just my journey—it's our family's rise."
"Because of MTJ Foundation, I will not only uplift my family,
I will contribute to Pakistan's future."

Gwadar

Compassion That Arrived at the Doorstep

She lost her son in Gwadar to a terrorist attack. He had gone seeking a livelihood. He never returned. Left behind were small children—and a mother too broken to grieve properly, because survival demanded her full attention. Before she could even reach out for help, help came to her. MTJ Foundation, upon hearing her story, sent a team with emergency food support.
“I had nothing left—then someone knocked with help. It felt like Allah had answered my prayers.” In that moment, aid wasn’t just a ration bag. It was a message: You are not alone.

VOICES FROM THE GROUND

Volunteer 1

"We Deliver Hope"

"I've distributed rations in remote Sindh and flood-hit Punjab. What I see every time: not desperation, but gratitude. They thank you with teary eyes. That's what keeps us going."

Volunteer 2

"The Gift of Presence"

"We always think it's about aid—but sometimes, people just want someone to listen. To sit with them. Let them cry. Let them speak. To remind them they still matter."

Volunteer 3

"Ramadan in Gaza Changed Me"

"I was part of the Ramadan campaign for Gaza. Coordinating iftar meals for displaced families broke me—and built me again. I saw the power of a meal. I saw what 'hope' looks like in the eyes of a child surrounded by rubble."

Volunteer 4

"More Than Logistics"

"To outsiders, we're just distributing boxes. But every box has a prayer in it, of the donor who gave, and of the child who'll eat. We move more than supplies, we move hearts."

These are not just stories. These are reminders of why we exist: to restore dignity, rekindlehope, and reaffirm that no one is ever forgotten

MONITORING, EVALUATION & LEARNING

How Impact is Tracked?

We track the impact of our programs through a multi-layered evaluation process, designed to measure both quantitative results and qualitative change:

Baseline and Endline Assessments:

We assess community needs at the start of projects and measure improvements at the end

Monthly & Quarterly Reporting:

All departments submit structured reports outlining KPIs, activities, and impact metrics.

Field Visits & Verification:

On-ground verification teams regularly visit beneficiaries, clinics, water sites, and schools to ensure services are being delivered as promised.

Photo & Video Documentation:

All major aid deliveries are documented and archived with visual proof for transparency

Partner & Donor Feedback:

Partner NGOs, field volunteers, and donors provide independent feedback that strengthens our internal review process.

Data Collection Methods

To ensure data accuracy and accountability, the Foundation employs a mix of digital and traditional tools:

Digital Beneficiary Tracking System:

Beneficiaries are registered using mobile-based forms, ensuring real-time tracking across all major programs.

Surveys & Feedback Forms:

Short surveys are used to gather direct feedback from scholarship students, medical patients, and ration recipients.

Call-Based Follow-Ups:

Our admin and program teams perform periodic phone check ins to assess long-term impact.

Donor Communication Channels:

We are currently developing a WhatsApp Caster to streamline donor communication—ensuring updates, appeals, and impact stories reach our supporters directly and efficiently

Program Outcomes & Lessons Learned

Key Outcomes:

Healthcare:

AAS Lab recorded 18,504 patients this year, with 30% showing full recovery, and 30% significant improvement.

Education:

Over 3,000 scholarships granted to date; scholarship retention rates have improved due to counseling support.

Livelihoods:

E-commerce training achieved a 90% completion rate; new Shopify entrepreneurs are now earning independently.

Water:

Hand pump installations led to a visible reduction in waterborne illness cases in targeted areas.

Disaster Relief:

The Gaza campaign supported over 100,000 people and set a new benchmark for speed and transparency in humanitarian aid delivery.

Our Way Forward

As we close the chapter on an impactful year, the MTJ Foundation looks to the future with clarity and conviction. Building on the strength of 2023–2024, we are ready to scale our reach, deepen our impact, and embrace innovation to better serve those who need us most.

Key Lessons Learned:

Local Collaboration is Essential:

Programs that integrated local volunteers and partner NGOs saw higher community satisfaction and efficiency

Visual Documentation Builds Trust:

Donors and partners value transparency. Images and videos of aid deliveries reinforced our credibility

Sustainability Needs Structure:

Long-term programs (like Maskan or vocational training) need structured follow-up and exit plans to ensure sustainability after support ends

Feedback Loops Work:

Listening to our beneficiaries helped us improve delivery methods, diversify aid items, and expand to overlooked areas

Looking Forward

As we grow, our MEL system will evolve. In 2024–2025, we aim to:

- Publish bi-annual learning reviews
- Roll out standardized feedback forms across all field programs
- Strengthen our data analytics capacity for better insights and smarter decisions

We believe that continuous learning is the key to meaningful service. Our MEL approach will always reflect our values: accountability, compassion, and community-driven progress

Expansion Strategy

Geographic Expansion

We are planning to expand our presence to underserved regions in Balochistan, Khyber Pakhtunkhwa, and other parts of Pakistan, while continuing our international humanitarian collaborations in Gaza, Turkey, and beyond.

Thematic Expansion

In response to community needs, we will broaden our thematic focus to include:

- Mental health and psychosocial support
- Environmental protection and climate action
- Digital access and e-learning tools
- Youth leadership, innovation, and civic responsibility

Strategic Priorities

For 2024–2025

Our future direction is guided by five key pillarscollaborations in Gaza, Turkey, and beyond.

Sustainability

Strengthening programs for long-term, self-sustaining community change.

Scalability

Building internal capacity to support expanded operations, aid distribution, and educational outreach

Localization

Empowering local volunteers and leaders to implement region-specific solutions.

Innovation in Delivery

Integrating smarter tools like:

- WhatsApp Caster for donor communication
- Streamlined field reporting and data collection
- Real-time digital impact tracking

Grants & Fundraising Strategy

In 2024–2025, we will:

- Engage grant consultants to guide structural and strategic revamping
- Apply for national and international grants to support our health, education, and livelihoods programs
- Develop a grant readiness model with documentation, reporting, and proposal writing systems

Capacity-Building Initiatives

To fuel our growth, we are investing in:

- Professional development for staff and volunteers in program design, MEAL, and humanitarian response
- Volunteer training frameworks to build grassroots leadership
- Digital upskilling for staff and beneficiaries alike
- Cross-learning sessions to enhance collaboration across departments

Partnership Development

We are strengthening our networks through:

- New alliances with CSR platforms, universities, and health institutions
- Engagement with community-based organizations for localized impact
- Strategic partnerships with tech innovators to modernize aid and communication systems

Vision Ahead

We don't just want to grow—we want to grow wisely.

By focusing on quality, equity, and innovation, we aim to build a Foundation that not only serves more lives, but serves them better. With your continued support, we will move toward a future where compassion is scalable, and dignity is for all.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MOLANA TARIQ JAMIL FOUNDATION

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **MOLANA TARIQ JAMIL FOUNDATION,** (the Organization), which comprise the statement of financial position as at June 30, 2024, the profit and loss account, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the year then ended, and notes to the accounts, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2024 and of the profit/(loss) and other comprehensive income/(loss), the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

a) proper books of account have been kept by the Company as required by the Companies Act, 2017(XIX of 2017)
b) the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flow together with the notes thereon have been drawn up in conformity with the Companies Act, 2017(XIX of 2017) and are in agreement with the books of account and returns;
c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is **Mr. Muhammad Waqas Khalid.**

2- Basis of Preparation

2.1- Statement of compliance

These financial statements have been prepared in accordance with the International Financial Reporting Standards (IFRS) issued by International Accounting Standard Board (IASB) as applicable in Pakistan.

2.2- Basis of measurement

These financial statements have been prepared under the historical cost convention except stated otherwise in the forthcoming accounting policies. In these financial statements, except for the amounts reflected in cash flow statement, all transactions have been accounted for on accrual basis.

2.3- Functional and presentation currency

The financial statements are presented in Pakistani Rupees, which is the MTJ Foundation's functional and presentation currency.

2.4- Significant accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Significant areas requiring the use of management estimates in these financial statements relate to the useful life of depreciable assets and provision for taxation. However, assumptions and judgments made by management in the application of accounting policies that have significant effect on the financial statements are not expected to result in material adjustment to the carrying amounts of assets and liabilities.

3- Summary of Significant Accounting Policies

The principal accounting policies adopted are set out below:

3.1- Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any identified impairment loss (if any). Depreciation is charged to income and expenditure account on reducing balance method by applying rates as mentioned in note 4.

Depreciation is charged from the date the asset is available for use till it is derecognized/disposed off.

Gain/ loss on disposal of operating fixed assets is taken to income and expenditure account. Maintenance and normal repairs are charged to income and expenditure

Donated assets are stated at fair value of the asset at the time of acquisition.

3.2- Receivables

Receivables are carried at original invoice amount less an estimate made for doubtful receivables based on review of outstanding amounts at the year end. Balances considered bad and irrecoverable are written off when identified.

3.3- Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents consisted cash in hand, balances with banks.

3.4- Creditors, accrued and other liabilities

Liabilities for creditors, accrued and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the MTJ Foundation.

3.5- Provisions

Provisions are recognized when the MTJ Foundation has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

3.6- Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

Grants related to revenue

Grants related to revenue are recognized on a systematic basis as revenue over the periods necessary to match them with related expenses incurred in accordance with terms of the respective project agreements.

Grants related to assets

Grants related to assets are recognized as deferred revenue under the head capital grant. An amount equivalent to the depreciation and amortization for each year on such assets is credited to income and expenditure account in the same year in which the depreciation and amortization is charged.

Amount equal to book value of assets relating to grant is also transferred to income and expenditure account in the same year in which asset is derecognized/disposed off.

3.7- *Allocation of common cost*

Common cost are cost used by more than one activity and cannot be allocated to single project activity. Common costs are allocated to the activities on a basis consistent, to the extent possible, with the actual use of the resources by the activities from relevant project/ program budgets.

3.8- Expenses

Expenses are recognized in the income and expenditure account when incurred.

3.9- Provision for taxation

The tax provision is calculated as per the requirements of the Income Tax Ordinance 2001, which provides 100% tax credit to non profit organization u/s 100C of the said Ordinance.

3.10- Transactions with related parties

All transactions with related parties are carried at fair market value.

Our Donor Gratitude Wall

Top Channels of Support:

- Monthly donors sustaining long-term projects
- Corporate contributors supporting field campaigns
- Community members donating via boxes
- Diaspora donors backing international missions (e.g., Gaza)

Acknowledgements

Behind every life touched, every home rebuilt, every child educated, and every patient healed— there is someone who gave. Someone who stood with us. This section is dedicated to you: the ones who made it all possible.

To Our Donors

Whether you gave once or give every month, whether it was a large gift or a small act of generosity—your contribution was powerful. You helped us:

- Deliver food to hungry families
- Pay for life-saving surgeries
- Cover school fees and exam costswriting systems
- Install clean water solutions in dry villages
- Provide emergency relief to communities in crisis

You didn't just donate—you empowered. You didn't just support—you transformed. From the bottom of our hearts: Thank you.

To Our Partners

We are privileged to collaborate with local and global partners who expanded our reach and deepened our impact. In particular, we thank:

- Penny Appeal
- Humaniti
- JHCO (Jordanian Hashemite Charity Organization)
- Salam Charity
- Muslims in Need
- Local hospitals, labs, schools, media teams, and logistics networks who walked with us through every campaign

To Our Volunteers

You carried boxes through narrow lanes. You stood under the sun during ration drives. You calmed crying children, helped elders to safety, and stayed late organizing forms and files. You reminded the world what selfless service looks like.
Whether you distributed rations in Ramadan, supported Gaza campaigns, or joined medical camps—your effort was immeasurable, and your spirit, unshakable.
We see you. We thank you. We stand in awe of you.

To Our Staff

To the unsung heroes behind the scenes—the program officers, accountants, lab technicians, community mobilizers, drivers, designers, writers, and support teams, you gave more than your job descriptions asked for. You worked weekends. You answered midnight calls. You travelled long distances. And above all, you put humanity at the heart of every task. It is your commitment, discipline, and vision that brought this year to life.

Together, We Made a Difference

This year, more than 100,000 lives were impacted—not by one person or one department, but by the power of unity, compassion, and unwavering service. Here's to you. Here's to us. And here's to a better, kinder world we'll keep building—together
